

23rd
International Conference
on
Thermoelectrics

25-29 July 2004
Adelaide, Australia

INSTRUCTIONS TO PRESENTERS

Oral Presentations:

Plenary paper presentations are allocated 30 minutes each. Oral session presentations are allocated 15 minutes each. The allocations include the changeover and questions.

A computer, a data projector and an overhead projector will be available in the presentation room for the speakers' use. It is required that PowerPoint presentations be submitted on either a CD-ROM or USB storage device for uploading on to the presentation computer prior to the session. Presenters will have access to Speaker Support Centre at the conference venue (Meeting Room 11) to facilitate the uploading and to be assisted with their needs.

Poster Presentations:

The size of poster boards is 1800mm (height)×1200mm(width). Each board is covered with felt. Posters may be attached using pins, thumbnails or Velcro. Poster sessions are scheduled for a duration of 90 minutes, commencing at 17:00, on each of the first 3 days of the conference. Presenters will have access to their board from 08:00 for the purpose of setting up.
