Exhibition

The ICT/ECT 2012 conference will set a new standard in involvement of conference delegates and surroundings. All breaks will be taken in the Boiler Hall (*Kedelhallen*), a publicly accessible part of Nordkraft. Here, also the exhibition will be located. Rather than separating delegates from ordinary visitors or tourists, this will enhance the visibility of the conference to the general public and provide a significant exposure platform for both exhibitors and sponsors.

Stands rental:

The stands will be put up in the Boiler Hall. As the Boiler Hall is a publicly part of Nordkraft there will be a limited number of stands. Therefore, the reservations will be done according to the principle: "first come first served". *The stand size is 6 square meters and the price is € 1,350.*

What is in the price included:

- Stand with one back and one side wall
- Stand lighting, rack mounted with 3 spotlights
