

[ICT2013 Registration](#) [1]

Welcome to the online registration of the 32nd International Conference on Thermoelectrics (ICT2013).

All attendees must register for the conference and pay the registration fee. Register before May 1st, 2013 to benefit from the reduced rates. The full registration fee will be applied to any forms postmarked after May 1st, 2013. Pre-Registration to the Conference will close on June 10, 2013. After that date registration is only possible on-site at Kobe International Conference Center on a space-available basis.

The on-line registration of ICT2013 is closed now.

Thank you very much for your interest in our conference!

On-site registration at the registration counter will be marginally available. If you wish to register on-site, please inform us (ict2013@lintergroup.co.jp) your attendance in advance, as the number will be very limited. We also recommend you to arrive at the conference center as early as you can. Please note that the acceptance status of on-site registration will be subject to change.

Attention student participants!

Please be prepared to show your official, valid student ID or ISIC (International Student Identity Card) at the registration counter of ICT2013. You will be charged regular participant fee if you don't present valid identification.

Thank you for your understanding and cooperation.
