

What's New [1]

Photos from the conference have now been uploaded, so please take a look at the [\[photo page\]](#) [2].

* Please be noted that the photos are accessible with the password shared only between the participants.

* For those who already have Google accounts, please be sure to log out before entering the photo page.

Thank you for your participation in the ICT2013.

The 32nd International Conference on Thermoelectrics (ICT2013) was carried out with about 750 participants from 33 countries and 550 papers. We hope that you all had a wonderful time in Kobe, Japan. We look forward to seeing you again in Nashville in ICT2014.
